

## PRAISE TEAM

*The Oak Park Praise Team plays a variety of instruments and music, including Traditional and Contemporary and serves as the worship team. This team even writes and composes music of their own. The purpose of the Praise Team is to help people to celebrate together in a manner that is pleasing to God and to bring God honor and glory through the praise and worship music presented during the Sunday morning worship services. In addition, the Praise Team also shares the love of God through a variety of public performances including the local nursing homes and West Marva District events.*

*The Praise Team is more than a group or team ... they are instruments of God's family. Practice is held at 7:00 P.M. every Friday evening. For more information and/or an application, contact Pastor Mel Menker at 301-334-5906.*
