

SENIOR HIGH YOUTH CLASS

"Some things were meant to be
difficult...
Some things were not!"

Learning about God's Word can be a puzzling experience for teenagers. Our Senior High (Grades 9-12) Youth class is designed to help teenagers put all the pieces together. Each lesson is Bible based and gets th kids involved with creative activities and discussions about real life topics. Our class helps teenagers take the guess work out of Bible learning and everyday living in a complex world. For more information, contact Sue Abe at 301-334-6440.
